SKILLS

Ruby, Ruby on Rails, JavaScript, jQuery, React.js, Redux, SQL, Git, HTML5, CSS3

PROJECTS

Streben

[Live Site](#) | [Github](#)

This is a clone of Stava's website using Ruby on Rails, PostgreSQL, jQuery, JavaScript, React, Redux, HTML5, CSS3.

- Implemented Google Maps API to generate multipoint routes, static polylines, and static maps to enable users to save and render custom maps.
- Used principles of relational databases and JBuilder to create normalized state shape for quick data fetching using Ajax requests.
- Exploited React and Redux's asynchronous nature to create and update component state and backend database for effective data management.

Type Fighter

[Live Site](#) | [Github](#)

A Multiplayer typing game using MongoDB, Express.js, React, Node.js, JavaScript, HTML5, CSS3.

- Integrated Socket.IO to allow for bidirectional server-to-client communication in real-time to implement multiplayer experience.
- Collaborated in a group of five to and worked cooperatively to create one cohesive product.
- Created a custom modal framework using React component architecture, allowing for efficient development of new forms.

Homefullness

[Live Site](#) | [Github](#)

An infographic and data visualization of the homeless population of San Francisco using JavaScript, D3.js, HTML5, CSS3.

- Created interactive visual elements to illustrate homeless statistics of San Francisco for a given year.
- Utilized object-oriented programming to create scalable, reusable and efficient code for future implementation and updates.
- Relied on canvas and D3.js to render a graph and animate figures moving to display comprehensive data.

EXPERIENCE

Accounting Chief

USMC, Marine Forces North, New Orleans, LA, May 2015 - Oct 2017

- Participated and served as accounting chief for two fiscal years' budget planning meeting.
- Managed and oversaw all 300 micropurchases over two years resulting in consolidated and standardized filing.
- Reviewed and audited six subordinate accounts producing six successful fiscal year closeouts, annually.
- Trained 12 subordinates and peers monthly.
- Prepared quarterly budget briefs intended for supervisors and VIPs.

Travel Accounts Chief

USMC, 1st Marine Division, Camp Pendleton, CA, Apr 2013 - Apr 2015

- Managed and ordered supplies for an office of 20 personnel with a \$2,000 monthly budget.
- Booked travel and coordinated flight information for approximately 100 VIPs.
- Coordinated a team of 4 to accomplish and meet time-sensitive and quarterly deliverables.
- Served as acting platoon sergeant for 13 junior Marines.

Fiscal Clerk

USMC, 3rd Marine Logistics Group, Okinawa, Japan, Mar 2011 - Mar 2013

- Logged over 1000 hours of data entry and bookkeeping.
- Supported in maintaining and auditing a \$10M budget.

EDUCATION

App Academy - Immersive software development course with focus on full stack web development (May 2019)
